

Experience the New NingXia Red®

For centuries the Ningxia wolfberry has been prized as one of the world's healthiest superfruits. Packed with fiber and boasting off-the-charts antioxidant levels, the wolfberry is a nutritional powerhouse.

Leading essential oil authority D. Gary Young has combined whole Ningxia wolfberries with the natural, living energy of pure, therapeutic-grade essential oils to create a truly unique functional drink blend. NingXia Red's synergistic, whole-body nutrient infusion effectively energizes, fortifies, and revitalizes. Have you had your NingXia Red today?

Q: What's red and has more new features and benefits?

A: NingXia Red

Visit ningxiared.com for more answers on NingXia Red's formula and extraordinary health benefits.
